Extra care housing development in Knowsley

Our new scheme in Halewood includes 77 affordable apartments with facilities to support residents with care needs, including:

- guest suite
- on-site care team
- comfortable, modern lounge
- security system & maintenance
- therapeutic sensory garden
- hair salon

The development includes 58 homes aimed at over 55's with a housing and support need, as well as a separate wing with 19 homes for younger people with additional needs learning disabilities, autism or mental ill health. The scheme is expected to be completed by May/ June 2024
